General Conduct Rules/Terms

These rules/terms apply to any parties attending or participating in a session (hereafter collectively referred to as "participants") at the St Albans Track ("the Premises"). Attendance is taken as acceptance of these rules/terms.

- The Premises is operated by Abbey View Community Athletics Track ("AVCAT"), a registered charity (Number 1207500).
- Participants must follow the instructions and guidance of the Duty Manager and/or any other AVCAT representative.
- Participants must not carry out any anti-social behaviour, and must keep noise to a reasonable level.
- AVCAT reserves the right to request any participant to leave the Premises if their conduct is not deemed acceptable. Abusive language or threatening behaviour will not be tolerated.
- Participants must obey all signage and cordons/barriers, which will be in place for safety/security.
- Participants must be aware of, and follow the guidance regarding safe track use and etiquette.
- Participants must not run in Lane 1, unless under specific agreement with the Duty Manager.
- Participants must not practice starts with blocks at the 100m start line, unless under specific agreement with the Duty Manager.
- Participants must not undertake any throwing or jumping activity (including hurdles and steeplechase) unless guided by a suitably qualified coach or instructor.
- Participants must not undertake actions which may cause harm/injury or damage to equipment or facilities. Equipment must only be used for its intended purpose. Intentional damage will be charged by AVCAT.
- Any issues noticed, incidents, accidents or safeguarding concerns must be immediately reported to the Duty Manager.
- Participants must be mindful of (and respectful to) other users of the Premises.
- AVCAT representatives are not authorised to accept responsibility for the safe keeping of money or goods.
- Any personal articles found will be removed at the end of the session. Items are kept for one month before disposal.
- Smoking or vaping is not permitted anywhere on the Premises.
- Except with prior written consent, the following items, substances and devices may not be brought to the Premises:
  - Crockery and glass
  - Pets or animals (except assistance dogs)
  - Food, drink or other items for retail/distribution
  - Alcohol
  - Electrical power equipment
  - Dry ice or cryogenic fog
  - Smoke machines and fog generators
  - Pyrotechnics, including fireworks, confetti cannons and sparklers
  - Firearms
  - Lasers
  - Explosives and hazardous substances
  - Open flame
  - Strobe lighting
- All litter must be disposed of appropriately, in designated receptacles.
